Hawai'i Neurotrauma Registry

PARENTS

Prevention • Education • Information on neurotrauma injuries:

- Brain Injuries & Concussion
 - Stroke
- Spinal Cord Injuries

We offer:

- FREE Information and Referral services
- FREE presentations and educational materials
- A brief survey for neurotrauma survivors

...for Hawai'i residents of ALL AGES

Does your child have one of these injuries? Take the survey and get \$25 in school supplies (approximate value).

What we offer

- Free personalized information and referral assistance for families with keiki who have neurotrauma injuries
- Free educational materials on neurotrauma injuries
- Free presentations to organizations, schools, and other groups
- \$25 in school supplies (approximate value) for qualified keiki who participate in a short, voluntary, confidential survey. Parental consent required
- Information from the survey helps the Department of Health understand what services and policies are needed by Hawai'i residents of all ages who have had a concussion, stroke, or spinal cord injury

Join the Registry

You can take the survey online, by mail, over the phone, or during an in-person appointment (where available).
